DESCRIPTION

The Antelope is located in Packmores, Warwick; a market town in the county town of Warwickshire lying south of Coventry and just west of Leamington Spa. The pub sits prominently on the busy A425 leading into Warwick town centre with attractions such as Warwick Castle, Priory Park and an array of high brand shopping outlets. The town has excellent transport links to the A46 and M40 within a five minutes drive connecting Birmingham to London.

Pub Layout

On entrance to the pub, guests are greeted by a main bar with open views to all trading areas. To the left is the bar lounge, offering comfortable seating, a small dining area, and televised sports to keep customers entertained. To the right is a darts oche, with a mix of fixed and loose seating throughout. A commercial kitchen is located behind the bar, and a lobby through the sports area leads to the toilets, with an external exit onto a spacious courtyard featuring benches and a well-constructed smoking shelter. Externally, there is also a private car park accommodating approximately eight vehicles.

TRADING STYLE

The Antelope primarily operates as a drinks-led community pub with a strong sports offering. A light bites menu is available, but there is clear potential to grow daytime trade and increase overall revenue. Sports are central to the offer, with darts and live televised matches via Sky Sports. The pub maintains a strong entertainment programme, including darts, dominoes, bingo, and football.

BDM VISION

The ideal licensee will have experience running community pubs on busy housing estates and be able to easily transition into the pub, maintaining a strong relationship with the existing loyal customer base. The current licensee has already established a strong reputation and following, providing a solid foundation for the new licensee to grow and further develop the offer. With the right licensee and vision, Admiral may consider further refurbishment to enhance the pub’s potential.
