DESCRIPTION

The Brewery Arms is a detached, prominently positioned property in the town of Saltney, home to a population of approximately 5,000 residents. Ideally located on the main thoroughfare connecting Chester to Broughton, Saltney benefits from strong footfall and passing trade. The area is well served by local amenities including shops, restaurants and a substantial amount of residential housing. Just a short distance away, the historic city of Chester offers a wealth of attractions, including its renowned Racecourse, charming architecture, and the scenic River Dee: making it a popular destination for tourists. Excellent transport links enhance the location further, with a convenient bus route running almost directly past the pub, providing easy access to Chester city centre. The Brewery Arms enjoys a broad customer base with a diverse age range, attracting both weekday regulars and a lively weekend crowd.

Pub Layout

The pub has been revitalised in every aspect of space ensuring it keeps its charm whilst seamlessly incorporating modern design elements including a courtyard beer garden. Internally it has various seating options including fixed and loose seating creating distinctive areas within the pub all serviced by a central bar. The pub is split into a traditional vault bar with games room area and a quieter lounge bar, with a more comfortable area to drink, socialise and watch sports. To the rear it has external seating space for shade and a courtyard beer garden for sun and shade and a covered sports viewing area externally too. It shows live sports TV throughout the week on seven internal and two additional TV's in the beer garden.

TRADING STYLE

The Brewery Arms is a true community pub that benefits from a good regular local drinking trade. The new operator will need to provide a sound base for sports teams and traditional bar games including football, pool, darts dominoes along with a vibrant and varied entertainment program at weekends. It goes without saying the new operator will put the community at the heart of everything that goes on and will strive to make the Brewery Arms the community hub in the local area. The Brewery Arms has delivered on investment this past two years and needs an experienced operator who can both command a sometimes challenging trading area, whilst delivering good customer service, a reason to visit and community focusses.
