

## Takeaway Drinks – important information

Considering the current circumstances, you may be thinking about providing drinks to take away. Before you do, please read the following information:

- Check your licence to ensure that you can provide off-licence sales.
- You must ensure that sales only take place during the licensing hours for your site.
- Be extra vigilant about under-age sales – check ID where there is doubt.
- Do not allow consumption on the premises or in the beer garden.
