

## Sustainability Statement

At Admiral Taverns, local communities have always been at our heart, as we strive to build supportive and long-term relationships with all our stakeholders.

Reducing our environmental impact is essential to the long-term sustainability of our business, and as a result we are reviewing all of our environmental impacts in the key areas of energy use, waste mitigation & management, building efficiency and our supply chain.

Our journey to "Net Zero Carbon Emissions" has begun...

April 2021
