

When purchasing cask beer, please note that all brewers have different sediment allowances (CSA) which have been factored into the Admiral Taverns prices. The table below details the relevant sediment allowances, saleable litres and the equivalent number of saleable pints for all cask products currently available from Admiral Taverns as a guide to assist with selling price and gross profit calculations.

Description	Category	Gallons	Litres	CSA (Litres)	Saleable Litres	Saleable Pints
